

## **Sports Premium Funding 2020 - 2021**

### **What is Sport Premium?**

The Government has given schools 'Sports premium' funding to support the delivery of PE in Primary schools. The amount of funding each school receives is based upon the number of children of primary age the school has (aged over 5 as of census data in January of the school year). The sport premium is to be used to increase the quality and breadth of PE and Sport while increasing the number of children who participate. At St Patrick's Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

The Premium will be used to:

- Develop or add to the PE, physical activity and sport activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made will benefit pupils joining the school in the future

The school will secure improvements in the following indicators:

- The engagement of all pupils in regular physical activity
- Continue to increase the profile of PE and sport as a tool for whole-school improvement
- Continue to broaden children's experiences in a range of sports and activities available
- Continue to increase the confidence, knowledge and skills of all staff in teaching PE and sport
- Continue to increase the participation in competitive sport (competitions and festivals)

For further details on the PE and sport premium for primary schools, please visit the Government website: [www.gov.uk/pe-and-sport-premium-for-primary-schools](http://www.gov.uk/pe-and-sport-premium-for-primary-schools)

At St Patrick's, we believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. Our Sport's Funding will enable us to continue and extend our provision through training, employing additional sports professionals, entering into sports competitions and festivals and also developing our sporting facilities and provisions.

### **The amount of Premium received:**
