

Sports Premium Funding 2021 - 2022

What is Sport Premium?

The Government has given schools 'Sports premium' funding to support the delivery of PE in Primary schools. The amount of funding each school receives is based upon the number of children of primary age the school has (aged over 5 as of census data in January of the school year). The sport premium is to be used to increase the quality and breadth of PE and Sport while increasing the number of children who participate. At St Patrick's Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

The funding can be used to:

- Improve the quality, provision and sustainability of PE in our school
- Increase participation in sports and PE and develop healthy lifestyles
- Develop staff confidence to deliver PE across the school
- Promote the importance of a healthy lifestyle to all pupils
- Encourage competitive sport across the school
- Promote competitive sport and resilience outside of school

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sporting activities for all pupils
- Increased participation in competitive sport and sports festivals
- Build capacity and capability within the school to ensure that improvements made will benefit pupils joining the school in the future

For further details on the PE and sport premium for primary schools, please visit the Government website: www.gov.uk/pe-and-sport-premium-for-primary-schools

At St Patrick's, we believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. Our Sport's Funding will enable us to continue and extend our provision through training, employing additional sports professionals, entering into sports competitions and festivals and also developing our sporting facilities and provisions.

The amount of Premium received:

Estimated funding for this year (2021-2022) is projected to be £16,960

How we plan to spend the funding in 2021-2022:

Objective	Initiative / Action	Cost	Outcomes	Impact / Sustainability
<p>To provide sport related lunchtime and after school clubs.</p> <p>To ensure students have access to a range of sporting activities.</p>	<ul style="list-style-type: none"> Buy in a specialist sports coach to deliver Multi skilled sports sessions lunchtime (two days per week) and after school clubs (one day per week) Coaching for Netball Team by specialist T.A. at Afterschool Club Futsal club before school – REC and KS1 / KS2 –Wed / Thur PE lead to audit PE resources – order necessary PE equipment e.g. tennis balls, dodgeballs etc. PE lead to meet with PE ambassadors to discuss PE curriculum / purchasing of new PE equipment PE lead to update yearly overview in line with competitions / festivals 2021-2022. Purchase new sports kits bought for children to wear at sporting events when they represent the school. 	<p>£3,000</p>	<ul style="list-style-type: none"> Increased engagement in sporting activities Increase to the quantity of physical activity taking place Improvement in behaviour and attitude of all pupils Increased enthusiasm for sporting opportunities All members of the school community understand the importance of having a healthy and active lifestyle. Increased physical activity Improved behaviour and relationships 	<ul style="list-style-type: none"> Staff / pupil feedback

Swimming data.

1) Percentage of Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25m when they left your school at the end of the last academic year? No data due to COVID

2) Percentage of Year 6 pupils who could use a range of strokes effectively (e.g. front crawl, back stroke, breaststroke) when they left your school at the end of the last academic year? No data due to COVID

3) Percentage of Year 6 pupils who could perform a safe self-rescue in different water based situations when they left your school at the end of the last academic year? No data due to COVID

4) Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? No – we had intended to but this didn't go ahead due to Covid-19
