Proposal A:

I am in favour of St. Patrick's Catholic Primary school lowering its school age from 4 to 11 years to 3 to 11 years old.

- YES 70
- NO 6

Comments summary: This would make drop-off's and pick up's easier for families with several pupils and support the transition from nursery to school in the same environment.

Proposal B:

I am in favour of St. Patrick's Catholic Primary School increasing the capacity of the school from 175 pupils to 210 pupils.

- YES 56
- NO 20

Comments summary: This would support local working parents. As our community grows we need more school places. Parking and flow of traffic around school needs to be considered.
